Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for George W. Bush

How You Approach Relationships

You are warmly generous and always gracious with others. You have an innate sense of playfulness and self-discovery that endears you to all who come to know you. You will always have a bit of the child about you, and you tend to require considerable attention from a mate. Anyone who gets to know you knows that you take yourself ever so seriously. You prefer a mate with great ambitions and plans, who dares to dream the impossible dream! You benefit from being drawn out of yourself by someone with less self-consciousness. Above all, you really value a close friend -- especially in a lover. You are attracted to visionaries with broad humanitarian goals.

Aquarius on 7th Cusp

You love the oddball and the unfettered. You may be drawn to social visionaries and to unconventional types in general -- a taste for the bohemian. You may have many unusual relationships of short duration. There is an on-again, off-again, quality to your affairs. You depend on relationships for insights into yourself and your life.

Uranus Ruler of 7th

Report for George W. Bush Strengths in your relationships

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Conjunction Pluto (orb: 00 45')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Conjunction Jupiter (orb: 01 27')

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

Venus Sextile Uranus (orb: 02 21')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Trine Uranus (orb: 02 27')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Sextile Jupiter (orb: 03 21')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Sextile Neptune (orb: 03 53')

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Sextile Mars (orb: 04 28')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Sextile Venus (orb: 04 48')

Report for George W. Bush Challenges in your relationships

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Moon Square Sun (orb: 02 55')

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 04 22')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Square Neptune (orb: 07 50')

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Square Saturn (orb: 09 48')

Report for George W. Bush Your Relationship with Dick Cheney

You have found a real spiritual friend in Dick. He tends to feel the same way you do about philosophical and religious issues. You find him very supportive, a real collaborator when it comes to ideas and issues of importance. Both of you are real talkers, and probably tend to burn the midnight oil once you get going. It had the potential for being a real initiation, a coming together. You are ready to work to keep this friendship together.

His Sun in Your Seventh House

The two of you have a great rapport. There is mental kinship. In fact a talk session with Dick almost amounts to therapy for you both. There is a real sense of mutual reflection. you. He has a natural sense of authority that you respect and might confuse with a parental figure. If you need discipline in career direction, good. If not, you may find this relationship disappointing and even depressing. You will always get good advice, perhaps not warmth and appreciation.

His Saturn in Your Tenth House

He may have had an unexpected effect on your career or life direction. Dick may have come into your life rather suddenly and been a disturbing factor. Perhaps he urges you to break away and dare to try new things. He may provide you with needed insights, point out unusual opportunities. It's just like in the movies!

Dick has a way of separating the wheat from the chaff and getting right to the heart of things. How You Approach Relationships

You're a demon for details. There is no question in anyone's mind that you have got it all together, at least from an organizational standpoint. You are indeed cool, calm, and collected. Yet there is something missing. You yearn for contact and involvement. You need something to do and someone to care for. Talk about loving punishment -- you feel responsible for just about everyone, and tend to end up with some pretty hopeless cases. And we're talking major dreamers here. You can't resist them -- the woolier, the better. They need your help and can't seem to help themselves. The funny part is that you love it, and them!

Pisces on 7th Cusp

You have a penchant for dreamers, mystics, and the highly imaginative. You love to get carried away romantically, and your friends may find you are unrealistic and often disappointed. You like love right out of a romance novel, complete with a sense of mystery and otherworldliness. You value imagination in a lover, and probably love movies and music.

Neptune Ruler of 7th

You really depend on relationships for growth and support, and you tend to find yourself in, and by means of, other people. Others find you very supportive. You may be a bit of a "mother hen" when it comes to watching over your friends and partners.

Moon in 7th House

Strengths in your relationships

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Sextile Uranus (orb: 00 31')

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Sextile Venus (orb: 01 14')

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Trine Neptune (orb: 05 58')

Report for Dick Cheney

Challenges in your relationships

Everyone can testify to your brilliant mind, but most would also find you somewhat erratic and unpredictable. You don't always have the follow-through you pretend to have. You tend to change your mind in the middle of a project and go rushing off in some new direction. You are to some degree the victim of your own whims. You have trouble finding practical uses for your plentiful insights.

Mercury Square Uranus (orb: 02 06')

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 02 29')

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 03 31')

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Opposition Neptune (orb: 04 45')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Square Mars (orb: 04 55')

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

Sun Opposition Pluto (orb: 07 46')

Report for Dick Cheney Your Relationship with George W. Bush

You can benefit a lot from the support of this person. If you stop and think about it, you couldn't imagine a much more perfect response from the cosmos to yourself than you find in George W.. For one, he is almost totally supportive of you, warts and all. And there is every reason to believe that he could aid you financially, as well as friendship-wise. Good things could happen with and through him. Here is a real opportunity for you to take hold and develop your resources. This is fertile soil for many things.

His Moon in Your Second House

The two of you probably met as part of a group that shared some common interest. George W. struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. He represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

His Sun in Your Eleventh House

You probably have some very unusual communication with George W.. He is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with him. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. He tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

His Mercury in Your Twelfth House

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. He manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In George W.'s "light" your better qualities get exposed. He appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

His Venus in Your Twelfth House

George W. is nothing else if not stimulating, and he may be downright challenging or irritating at times. It all depends on what mood you're in. If you need a boost, a little competition, then he is tailor-made for the job. If things are already hectic, then you may not enjoy the ride. There is the potential here for a good friendship too.

His Mars in Your First House

There is no doubt that he is a "luck sack". Through him many opportunities are possible, especially relating to your financial positions and resources in general. George W. is a natural guide for you and can help make the most out of what you have -- multiply it many times over. He appreciates what you have going for you and has good ideas as to ensuring you a secure response from the world. He may come bearing gifts.

His Jupiter in Your Second House

Whatever this relationship may or may not be, it probably is not a social triumph. George W. may tend to be a damper when it comes to group or community get-togethers. Your friends may not like him, or he may be critical of the goals of a particular group. Any groups he might approve of would have very strict morals and ethics. He may simply not like to get together in groups.

His Saturn in Your Eleventh House

He may have had an unexpected effect on your career or life direction. George W. may have come into your life rather suddenly and been a disturbing factor. Perhaps he urges you to break away and dare to try new things. He may provide you with needed insights, point out unusual opportunities. You sense that he knows what you are about and understands your situation. He could be, for you, an unusual but respected authority figure.

His Uranus in Your Tenth House

No matter how dreamily far-out this relationship feels, it could have a very real quality if it extends to your finances or resources. George W. is an idealist of the first water and may not have the practical experience needed to make decisions involving money and property. He has the very best intentions, but you could experience a sense of loss through him. Better to enjoy his company and let the loss be all the petty details of life, rather than some real investments.

His Neptune in Your Second House

He may exercise an enormous influence on how you view your role in life. Your whole idea of what you are here for and what it is to be human may be transformed. George W. has a way of separating the wheat from the chaff and getting right to the heart of things. Through knowing him, you may find yourself going through deep changes in attitude, discovering more compassion, self-sacrifice, and patience. He will put you in touch with the saint in yourself.
